

2017 Charitable Giving Summary Worksheet

(Complete if you itemize your deductions)

**In the past, you may have provided us with your charitable giving receipts.
To expedite the preparation of your tax return, you can use this worksheet to summarize your charitable giving.
Be sure to keep the bank records and/or receipts with your tax documents as supporting evidence in the event of an IRS question or audit. See below for required documentation.**

It is important to maintain accurate records of your charitable contributions. If you have a question about whether or not a contribution is deductible and/or about the records you should maintain, please contact our tax department. Required records:
Cash less than \$ 250.00: bank record, receipt, or payroll record sufficient.
Cash greater than \$ 250.00: letter from the organization listing amount of the donation AND whether any goods or services were provided to the donor by the organization in return for the donation and a description and approximate value of those goods and services. Donor MUST have this documentation before timely filing the return.
